Wednesday 1-27-21 we sold over 200 head of dairy cattle. Auction featured a small tiestall herd and several reputation fresh cow consignments! Market was good but you definitely could feel some buyer resistance with the current milk and grain markets. Top quality Holstein fresh cows \$1,750-2,300. Many other milk cows and springing cows \$1125-1725. Top springing Holstein heifers \$1,100-1,650. We greatly thank all of our buyers, sellers and livestock truckers!!
